

delayed 60 days for Congressional review. This has been determined to be a major rule under title 5, United States Code, section 804(2). However, as indicated in section XI.A of the preamble to this notice with comment period, for good cause, we find that prior notice and comment procedures are impracticable and unnecessary. Pursuant to 5 U.S.C. section 808(2), a major rule shall take effect at such time as the Federal agency promulgating the rule determines if for good cause it finds that notice and public procedure is impracticable or unnecessary. Accordingly, under the exemption provided in 5 U.S.C section 808(2), this schedule of limits is effective for cost reporting periods beginning on or after October 1, 1997.

D. Public Comments

Because of the large number of items of correspondence we normally receive on a notice with comment period, we are not able to acknowledge or respond to them individually. However, we will consider all comments concerning the provisions of this notice that we receive by the date and time specified in the "Dates" section of this notice, and we will respond to those comments in a subsequent notice.
